AFTER SCHOOL ACADEMY

The PRIDE Academy mission is to provide an affordable, positive environment for SMMCS students to participate in scheduled programs and activities where respect for Christian values is evident while enhancing their school experience after the regular day has ended. We will offer a variety of fun and educational activities designed to meet individual interests, promote creative expression and build confidence through experiences.

OUR APPROACH

Enrolled students participate in enrichment activities, structured play time and supervised homework sessions. Students are encouraged to verbally engage their peers and teachers with respect. This practice along with the guidance of the teachers will help build confidence and develop their ability to respectfully communicate with others. Students will be encouraged to use critical thinking and problem solving techniques which will help enhance self-esteem and confidence. Our approach is simple - we help students be the CHAMPION God designed THEM to be!

SAMPLE OF DAILY CHOICES

All of our activities will be age appropriate in three different groups - K3-2, 3-5, 6-8; classes will be informative and interesting. Student choices and interests will be regularly evaluated in order to provide interactive activities. There will be 2-3 choices offered daily depending on enrollment. Activities include but are not limited to: History, Arts & Crafts, Business Builders, Book Club, Science, Math, Dance, Storytelling/Acting, Strength Training, Board Games, and more to come...

3:50-4:15	Snack
4:15-5:15	Daily Choices
